STATINTL Dear [REDACTED]

STATIN TL I have and thank you for your letter of April 28, 1976 concerning [REDACTED] book Where's What.

I am happy to say that in between the time I wrote you and received your letter I obtained a copy of the book during a browse through a book store in Alexandria. Nevertheless, I appreciate your help.

Sincerely,

A handwritten signature in black ink, appearing to read "Lester E. Seidel".
